SCOA league:

The 2025/26 season now has seven confirmed events, including one from WSX. The prize-giving for the 2024-25 season was held at BKO's Black Park event and had a good turnout. Remaining prizes and certificates will be available at BKO's SCOL08 on 12/04/2026 at Rushall Woods.

The 2026/27 season currently has only two events scheduled.

Other matters:

1) Regional events with missing officials:

- i. 11/04/26, TVOC, Shotover, no officials
- ii. 12/04/26, BKO, Rushall Woods, no controller
- iii. 07/06/26, BADO, Overton, no organiser or controller
- iv. 26/07/26, SN, urban, no officials
- v. 06/09/26, WIGHTO, Tennyson Down, no controller

2) I have received no offers for a YBT round in 2027. There has not been one in SCOA for several years and this adds very little effort to a standard SCOL.

3) Similarly, are there any offers for a CompassSport Cup round in SCOA on 07/02/2027? As we are hosting the final in our region that year, it would be great for our clubs to have the chance to qualify in a local heat.

4) The next ESG meeting is on 10 March, when level B events for the second half of 2027 will be considered. The Nov Classic is already in the list. I anticipate no others but please tell me ASAP if there are any.
