

TREASURER's REPORT – SCOA Committee Meeting 3 March 2016

Items 1-4 for information only.

Item 5 to be considered as part of discussion on Technical Officer's report.

1. Bank balances currently stand at £14,660.
2. Membership Fees have been received from all the open clubs.
3. Grants Paid
 - a. Tim Morgan, SOC and T Howell, SN - £80 each, Junior Home International
 - b. Bethany Kippin, TVOC - £45, Interland
 - c. Caroline Ford, SOFA - £63, renewal of First Aid qualification for coaching
4. Junior Squad Treasurer – the current treasurer, Jes Dickin, will be moving away from the region in the near future and will be giving up his position. In consultation with Squad Manager Simon Kippin, I have agreed to take on the job as part of the SCOA Treasurer's role.
5. I note the item in the Technical Officer's report that Associations now have to appoint or approve officials for Level B events. I remind all committee members that this may place a person liability (jointly and severally) on each one of us should an incident occur at an event that causes an injury or loss. I can give no reassurance that the British Orienteering insurance will cover us should a claim arise.
I do find this exasperating that British Orienteering have increased our liability like this without consulting us. We (the Regions) are not members of British Orienteering and are not a part of "BOF Ltd" so they really have no jurisdiction over us.
