SCOA Bulletin June 2018

1. You have a new Chairman.
Di Smith has stood down after 3 years and Eric Harper (BKO) is now chair of SCOA.

2. SCOA League rules are being updated. The new rules will appear on the SCOA website and will apply to the forthcoming season. They clarify who is eligible to score points.
Look out for details of the SCOL series. There will be a prize-giving for the 2017-18 season for both individuals and for the impressive new Inter Club Trophy.

3. JK2019 is 10 months away. It sounds a long way off, but there is much to prepare. SCOA is hosting the JK next year and will need about 150 helpers each day to ensure its smooth running. We anticipate about 2,700 competitors on days 2 and 3, less on days 1 and 4. This is a great opportunity to get involved in the biggest annual multiday event in the country as well as the opportunity to take part without travelling to other regions.

- Fri 19 Apr 2019, Day 1, Sprint , Aldershot Garrison (TVOC Planner, BAOC Org)
- Sat 20 Apr 2019, Day 2, Middle Distance, Old Windmill Hill, Mytchett (SN Planner and Org)
- Sun 21 Apr 2019, Day 3, Classic Distance, Cold Ash, Newbury (BKO Planner and Org)
- Mon 22 Apr 2019, Day 4, Relay, Minley, Fleet (BKO Planner, TVOC Org)

To get involved, please contact you club JK volunteer co-ordinator as soon as possible

We are also looking for experienced members to act as **team leaders** for **prize-giving, site set up or dismantling, equipment, safety, volunteer co-ordination, start, download , parking and String course** each day.

We plan to identify events at which you can get some experience/practise for your JK roles, so the sooner you volunteer, the easier it will be to identify teams and training opportunities.

For more info, please contact Di or Terry Smith (di(at)ntrees.co.uk) who are co-ordinating the 4 days. The running of each day will be down to the SCOA club members so please support your club and the region to make this a great success.

Di Smith, ex-Chair.
