SCOA league:

All six events in the 2018 – 19 season have now taken place. The first event of the 2019/20 season will be hosted by BKO at Bucklebury on 06/10/2019. There are currently 6 events on next season's list, with a potential for three more (TBC) and large gaps in 2020.

Other matters:

- 1) No organiser has been registered for the Southern Championships/Concorde Chase in 2020. There also appears to be no supporting event on the Saturday (urban? night?). As a result, this event is likely to drop out of the UKOL list.
- 2) Two level C events organised by a SCOA club over the next few months are missing officials:
BKO Bucklebury 06/10/19 (no controller)
SOC New Forest 12/10/19 (no controller)
- 3) I remain open to offers to host the 2020 CompassSport cup round for SCOA on 15/03/20 (SN?).
- 4) 2020 is our turn to host the Southern Night Championships, typically in November or December. Offers please.
- 5) 2021 is also our turn to host the VHI. Can this be held in parallel with the November Classic weekend? Any other offers?
