

## **Development Officer – report to SCOA Committee – 5<sup>th</sup> September 2019**

1. **Craig Anthony**, Head of Development, is leaving BOF to take up a Chief Executive post with another sport.
2. **BOF Junior Advisory meeting:** I am attending a meeting of the BOF Junior Advisory meeting on 11<sup>th</sup> October 2019
  - Topics will include the regular quick updates on the club-by-club junior stats, YBT & PPJR summaries, south area junior camp. Phil Conway will present a paper on junior rankings and incentives.
  - Also we will have a discussion on the youth advisory board (i.e. the junior version of this group).
  - the group will also take a longer range view on the new BOF line-up, remaining Sport England funded time (18 months until Mar 2021) and discuss priorities what can be realistically achieved in the remaining time for my role.
3. **Results from Level D events:** BOF seem to be making an effort to gather results from the Clubs for Level D events now. This will help recognise more Juniors in particular, for the computer generated incentive schemes - 'Navigational Challenge' and 'Racing Challenge'
4. **Annual M/W12 Youth Camp :** much progress has been made with a Junior Camp for the South. This is being organised for the November Classic weekend , based in Burley Youth Hostel. There has been a good response from Parents willing to help.
5. **Club & Members Forum:** I would like to attend the Club & Members Forum as a SCOA rep, please. This is being held on Saturday 16<sup>th</sup> November 2019 in Leeds.
