

Summary Data Protection and Privacy Statement

The South Central Orienteering Association (SCOA) processes personal data and recognises its responsibilities under the General Data Protection Regulation (GDPR). The main purpose of the Association is to promote participation in the sport of orienteering in the south central region of the British Orienteering Federation.

Summary

Your data is used by us for the purposes of registering and administering your involvement in orienteering.

We publish some information, particularly but not solely results of competitions and activities we organise, which includes names, age groups and club affiliations.

Personal information is only used and shared internally and externally as required for the purposes of orienteering or as required by law.

The full SCOA Data Protection Policy is available on the Association's website by following this <https://www.scoa-orienteering.org.uk/content/scoa-data-protection-policy>

On specific matters you are welcome to raise questions or concerns with the data controller.
