

# SOUTH CENTRAL ORIENTEERING ASSOCIATION

## FIXTURES SECRETARY REPORT

SEPTEMBER 2020

### Forthcoming major events in the region:

Date	Event	Comment
26-27/09/20	JIRC	Cancelled
28/11/20	Southern Night Championships	BAOC
29/11/20	Southern Championships	Cancelled
02-03/10/21	VHI	Vacant
2023	BOC/BRC	Placeholder

### SCOA league:

The 2019/20 season SCOA league was curtailed after the BKO event in January, meaning that six events counted for the league. The adjusted results are now on the SCOA website. As this quantity of events, although less than expected, is sufficient to make a valid competition, I suggest that the usual prizes and certificates be awarded for the 2019/20 season. These will likely have to be distributed by post.

I have started the 2020/21 season but it has yet to be seen whether there will be enough events to make it viable. SCOL1 is the TVOC event at Penn Wood on 27 September. Further SCOL events are likely to be added to the list at short notice, as and when it proves possible to run them.

### Other matters:

- 1) I currently expect most events at level C and above to be cancelled for the rest of 2020, due to COVID-19. At the time of writing, the TVOC SCOL1, November Classic and Southern Night Championships remain on. Two level C events in November have not yet been cancelled and may become SCOL events if they go ahead.
- 2) The rescheduled Concorde Chase that was due to host the Southern Champs and SCOA Champs has been cancelled. Realistically, our choice is to reschedule the SCOA Champs to the Nov Classic or cancel for this year. Feedback from SOC is invited.
