## FIXTURES SECRETARY REPORT

SEPTEMBER 2021

Forthcoming major events in the region:

Date	Event	Comment
06-07/11/21	VHI	Nov Classic weekend
13/03/22	CompassSport Cup heat	BKO
25/03/23	BOC	Cold Ash
26/03/23	BRC	Hambleden

SCOA league:

The 2019/20 season SCOA league was curtailed in January 2020 and the presentation of awards remains outstanding. Mugs have been made and are now available.

The 2021/22 season currently has only 3 or 4 events scheduled. Do we run a league this season or not?

Other matters:

- 1) The BOC/BRC weekend has been rescheduled for 25-26/03/2023 and venues agreed. Organisers and planners have yet to be appointed. A point of contact to liaise with BOF is now urgently required as the events are less than 2 years away.
- 2) An update is sought on arrangements for the VHI in November 2021. All four nations have committed to sending a team provided that both events proceed. In particular, a venue and officials are required for the relay event on the Saturday.
