

## **Chair's Report, June 2022**

Disappointment: Not being able to host the 2021 VHI and having to be 'rescued' at short notice by the (albeit much bigger) SEOA

Frustration: Opening and operating the Santander account.....

Personal weakness: A lack of networking skills, and a reluctance to ask people to do things, however....

Success: with much help from others (many thanks) securing some, but not all remaining key officials for our two major events in the coming year, in particular a BLDO&RC23 coordinator and SHI temporary coordinator and relay planner.

Challenges: A hope that we can soon find an Organiser for SHI so that SCOA isn't embarrassed again and that key volunteer team leaders for BLDO&RC23 come forward from all SCOA clubs.

Most impressed by: All volunteers, but in particular those coaches who give so much time, expertise and energy to work with our juniors.
