

**SOUTH CENTRAL ORIENTEERING ASSOCIATION  
FIXTURES SECRETARY REPORT - 2021**

During 2021, approximately 29 level A – D events (2020: 22) and 61 activities (2020: 39) were registered in the South Central region, attended by a total of at least 5,351 people (2020: 2,851), of whom 4,583 (2020: 2,354) were seniors and 768 (2020: 497) were juniors.

The figures relating to these events are shown in the table below (with 2020 data in brackets).

The 2021 data are heavily affected, of course, by the COVID restrictions again, as were those for 2020. It is not possible to make meaningful comparisons with previous years and so the numbers are provided merely for completeness.

There were no events and 25 activities with missing participation data. Many of these were Maprun courses where participation is difficult to count.

No level A events were held in the region (2020: 1). Three level B events were held (2020: 1), run by SN, SOC and TVOC.

The SCOA League had a programme of just 3 events in 2021 and the 2021/22 season currently has a total of 5 events scheduled. The 2020/2021 season was abandoned.

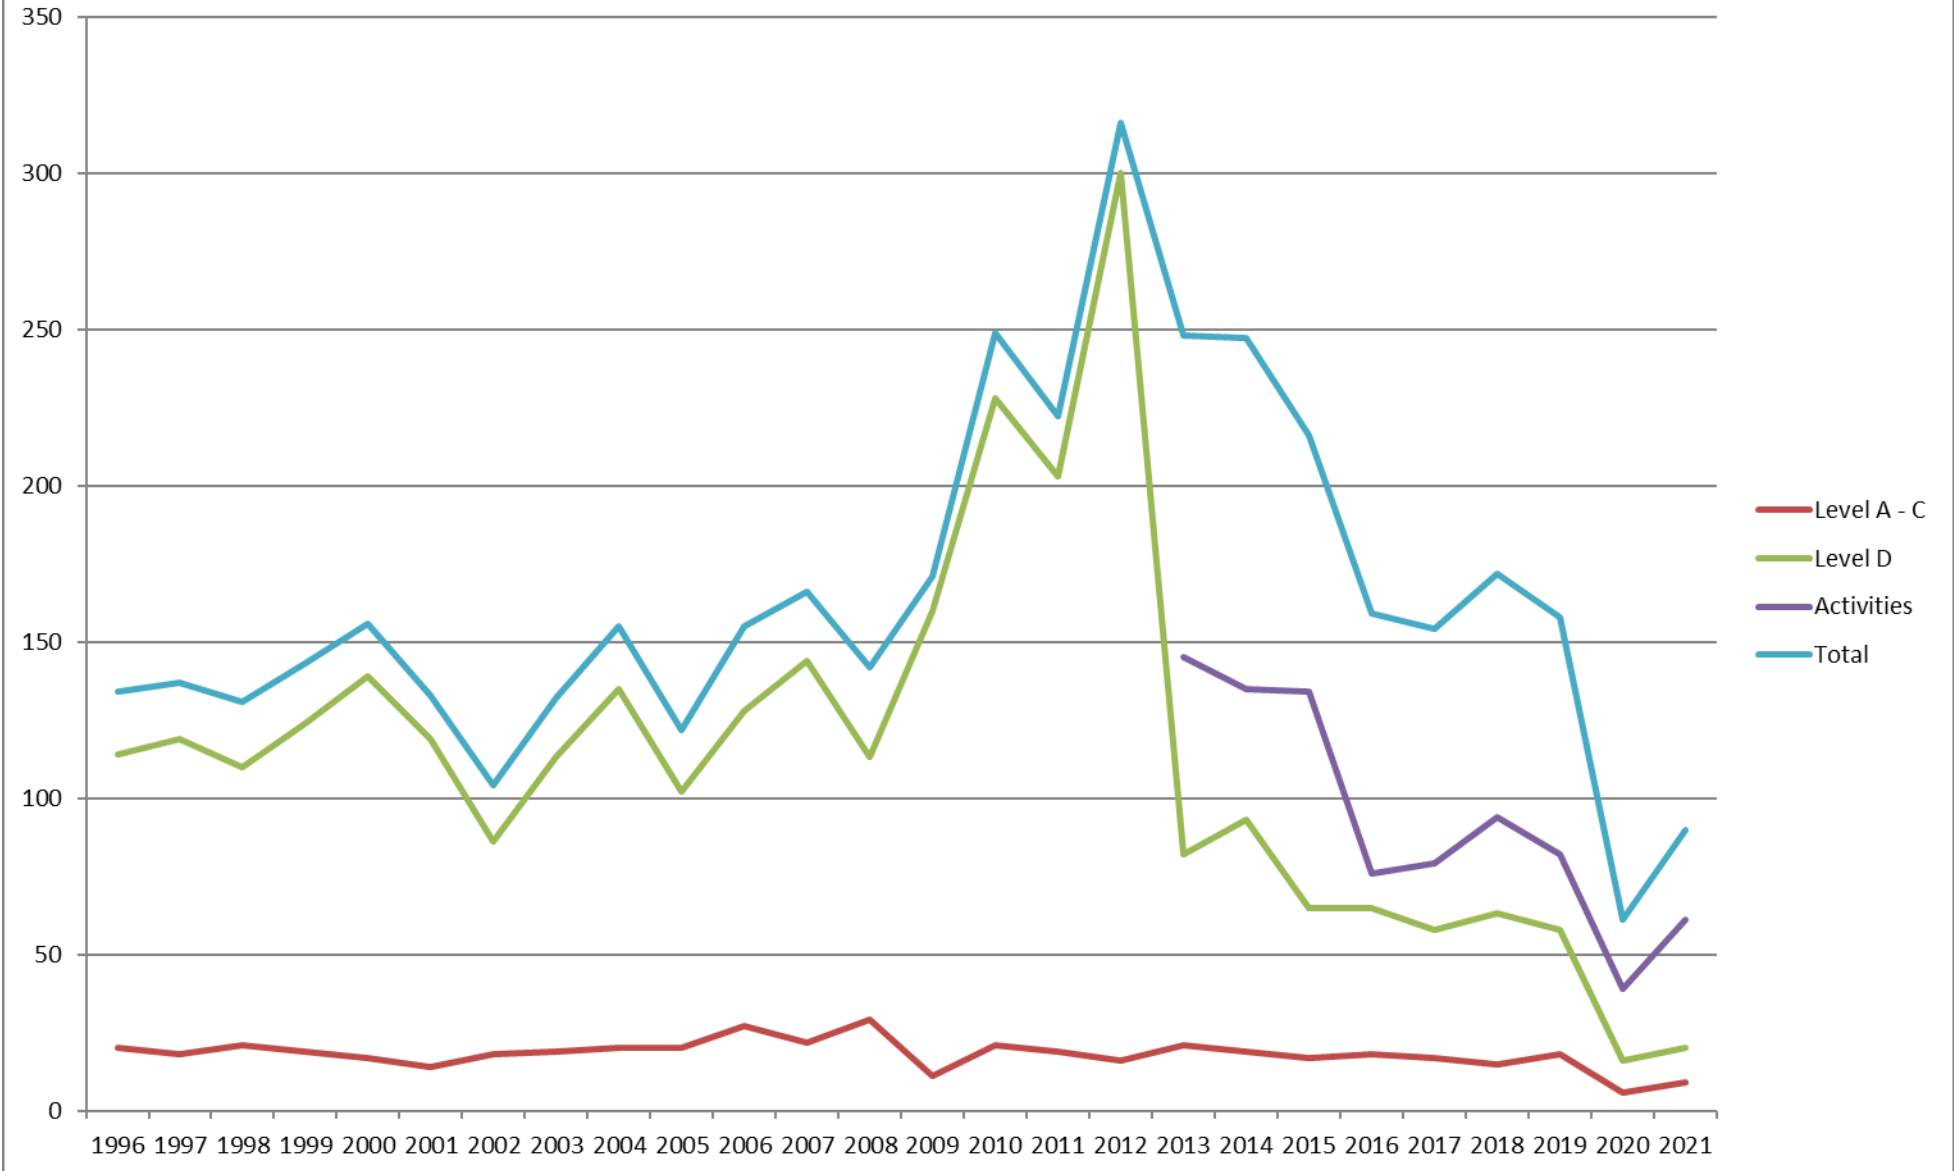

I have updated the graphs of the annual number of events in the region and participation to cover the entire period from 1996.
