

SOUTH CENTRAL ORIENTEERING ASSOCIATION

FIXTURES SECRETARY REPORT

SEPTEMBER 2023

Forthcoming major events in the region:

Date	Event	Comment
05/11/2023	Southern Championships	With Nov Classic
10/12/2023	SCOA Championships	With Chiltern Challenge

SCOA league:

The 2024/25 season presently has only three candidate events scheduled (two in 2023 and one in 2024). Can the SN event at Hogmoor become a SCOL?

In terms of neighbouring regions that might allow us to host a SCOL on their regional league, NWO have a possible event at West Woods in Jan 2024 but I see nothing useful in SEOA.

Do we run a league this season or not?

Other matters:

1) Regional events with missing officials:

- i. 04/11/23, SOC, Winchester urban, no officials
- ii. 05/11/23, SOC, November Classic, no officials
- iii. 03/12/23, BADO, Blackwood SCOL, no controller
- iv. 10/12/23, TVOC, Chiltern Challenge, no controller
- v. 29/12/23, SN, Hogmoor regional, no officials

2) SCOA is next scheduled to host the Southern Night Championships in December 2024 (BKO).

3) I have still received no offers for a SCOA round of the Yvette Baker Trophy in 2024. After the recent success of TVOC coming second in the YBT final, it would be a shame not to be able to host a round in the region next year. Offers please. TVOC at Hodgemoor on 19/05/2024 maybe?

Richard Sharp
