Forthcoming major events in the region:

Date	Event	Comment

SCOA league:

The prize-giving for the 2022/23 season was held at SCOL2 at Black Park. Thank-you to our VIP for presenting the prizes.

The 2023/24 season has four events in 2023 and another three in 2024, making seven in total for the season.

The possible SCOL at NWO's galloppen at West Woods in Jan 2024 now looks very unlikely to be suitable and has been dropped from the list.

Ken Ricketts has stood down as SCOA league administrator after many years in the role and a replacement is sought. The job involves i) posting a list of the events on the SCOA website, ii) calculating scores after each event, using the standard results file; and iii) updating the scores on the SCOA website.

Other matters:

1) Regional events with missing officials:

- i. 29/12/23, SN, SCOL4 Hogmoor regional, no organiser or controller
- ii. 17/03/24, BKO, SCOL6 Rushall Woods regional, no organiser

2) 2024 SCOA Championships. Candidate events are the Concorde Chase 28/01/24, Chiltern Challenge 24/03/24 and November Classic 03/11/24. We are using the Chiltern Challenge this year and in 2021 and have used the Nov Classic in 2022 and 2019 so I propose the Concorde Chase this time.
