

## **Technical Officer's report to SCOA Committee, September 2025**

### **Event Officials**

I have approved the officials for the 2025 November Classic.

That completes Level B events for 2025.

I need to approve the officials for the Concorde Chase and Chiltern Challenge 2026 soon, can I ask that I get the appropriate forms please.

### **Controllers**

SCOA currently have 2 Grade A, 12 Grade B and 13 Grade C controllers. No change since my last report.

### **Controllers' details**

I haven't had any further information about putting contact details on the SCOA website.

Can I remind the committee that I have agreed to send an up to date list of controllers to the administrator when this has been completed.

The current system that BOF can provide doesn't always help as it is distance based rather than by registered association. Rules can require a controller to be from a separate region, regardless whether they live 5 or 50 miles away from the event location.

Katy Stubbs

SCOA Technical Officer

## South Central Orienteering Association

### Application for Approval as a Grade B Controller

#### Requirements: BOF Appendix C- Event Officials

- Successfully control a minimum of 2 events at Level C within the previous 8 years (one within 4 years).
- Successfully plan or co-plan at least one event at Level B within the previous 10 years.
- Successfully organise or co-organise at least one event at Level C within the previous 10 years.
- Complete a British Orienteering Controller Grade B course.
- Complete British Orienteering Safety training
- Be appointed to the Grade by their Constituent Association.

Please complete and return to your Regional Technical Officer (or other relevant official)

---

## GRADE B CONTROLLER COURSE ATTENDED:

**Date:** 19/10/24      **Venue:** Winnersh .....      **Tutor:** Katy Stubbs

## EVENT SAFETY WORKSHOP ATTENDED:

**Date** 11/07/15      **Venue:** West End, Surrey      **Tutor:** Katy Stubbs

**OTHER RELEVANT EXPERIENCE:** e.g. Planning and Organising courses attended, Mapping experience. ONLY required if one or more of the above criteria are not met.

I undertook relevant official's training, and have organised and planned events at what would now be Level B since the early 1990's, initially in MDOC (1988-2000) on areas in the Western Pennines and South Lake District, and subsequently in SN. I have been a qualified Grade C controller for over 10 years. I was Race Director for one day at World Cup 2005 (international relay and public race at Windmill Hill).
