JROS ANNUAL MEETING

- 2025 JROS Camps were discussed and selection criteria for 2026 reviewed. The new GB Elite Lakes weekend in March will not be used for JROS Camps. Hawkshead 26 may need a new venue due to changing insurance requirements for the use of the kitchen at the YHA.
- Long session on safeguarding with Jeanette Downing, BO Safeguarding lead. There was some confusion over who required what level of training and DBS checks, particularly about occasional volunteers such as parents attending on an irregular basis. There was also some lack of knowledge from coaches with historical qualifications over the refresher requirements. Implications for SCOA: Managing records, costs for courses and DBS, and maintain support from occasional volunteers. Scenarios to be sent to BO for discussion.
